

The Art and Science of Light

SPECIFICATIONS:

model: AXXS FL with Remote Power Supply
primary power: 120V, 277V
Compliance: UL Listed
control: Dimming Compatible
finish: Clear Anodized Aluminum
dimensions: 4'0", 5'0"
update: August 15, 2012

FEATURES:

AXXS FL offers a creative way to illuminate an interior space while supporting energy efficient fluorescent lamps. The AXXS hub allows lamps to be rotated to a fixed position at multiple angles for one of a kind installations. ACL's new threaded lamp holders with no visible fasteners make this luminaire sleek and minimalistic. AXXS FL fixtures are available in standard T8 and T5 4' and 5' lamps. AXXS FL offers unlimited possibilities that are both aesthetically timeless and energy efficient.
